## United Nations Open Important Paris Meet

### Berlin, Palestine Major Issues

Paris, Sept. 20.—(AP)—The United Nations general assembly opens a fateful session tomorrow before a world worried over east-west tension in Berlin and unrest and assassinations in Palestine.

The issue of enforcing peace in the Holy Land—dramatically pointed up by the murder of Count Folke Bernadotte, stands high on the crowded calendar of the 58-nation "world parliament."

On the eve of the third annual session, there was a possibility that the Berlin blockade with its far-reaching complications in the east-west tug-of-war also would be thrown before the assembly for full debate.

#### Foreign Ministers Meet

Even as the 58 delegates waited for the opening gavel, the foreign ministers of the United States, Britain and France met in the French foreign office to review the German situation.

A standstill absentee among the world's leaders was Soviet Foreign Minister V. M. Molotov, who remained in Moscow, and sent Deputy Minister Andrei Y. Vishinsky. There were no indications whether Molotov would come later.

#### Will Welcome Delegates

President Vincent Auriol of France will officially welcome the delegates tomorrow afternoon at the opening of the session, expected to run three months. The first major item of business will be selection of a president. Herbert V. Evatt, Australian deputy foreign minister, was among those prominently mentioned for the post.

Closely linked with the eruptive Palestine issue is secretary-general Trygve Lie's plan to seek a U.N. police force of 1,000 to 5,000 men. He contends such a force would have "saved many lives, particularly in Indonesia and Palestine." Lie first made the proposal last summer at Harvard. Bernadotte's assassination spurred him on.

#### HALT MOSCOW NEGOTIATIONS

Paris, Sept. 20.—(AP)—The western powers tonight called a halt to Moscow negotiations and set up strategy headquarters here in their row with Russia over the future of Berlin.

The American, British and French foreign ministers, in a media teleconference to decide their next move in the struggle which has kept the former German capital under siege conditions for three months. All three nations recalled their top advisers from Moscow and Berlin to sit in on the talks.

Secretary of State George C. Marshall, British foreign secretary Ernest Bevin and French Foreign Minister Robert Schuman met for an hour in an opening conference at the French foreign ministry. Another meeting was set for tomorrow.

A spokesman for the French foreign ministry described today's session as one to establish contacts among the respective staffs looking toward discussion of issues which Russia and the western powers in the two-month secret Moscow negotiations.

The foreign ministers are here for the meeting of the United Nations general assembly tomorrow. However, Soviet Foreign Minister V. M. Molotov did not come, sending Deputy Y. Vishinsky to head the Russian delegation.

### Co-ed Dies Of Poliomyelitis

Carbondale, Ill., Sept. 20.—(AP)—A co-ed's death from poliomyelitis today prompted precautionary health measures at Southern Illinois University.

The co-ed, Alice Elliott, 19-year-old sophomore from Wood River, Ill., was stricken at school Thursday and transferred Sunday to an Alton, Ill., hospital. She died there today.

Acting on advice of Dr. Jerome Sievers, chief of the division of communicable diseases for the state of Illinois, the university instructed all students in Anthony Hall, a girls' dormitory, who had associated with Miss Elliott since she arrived Sept. 13, not to contact any children under 16.

#### ACTOR MICKEY ROONEY IS SERIOUSLY ILL

Hollywood, Sept. 20.—(AP)—Actor Mickey Rooney was taken seriously ill today with a throat abscess, his physician said.

Rooney is running a high fever and his ailment may require surgery, Dr. Stanley Imerman said. The actor was scheduled to appear in Pasadena tonight at a Civic auditorium benefit for the Braille Institute for the Blind. His father, Joe Yule, former vaudeville actor, will take his place.

## 13 Farm Hands Perish When Trucks Collide

Laporte, Ind., Sept. 20.—(AP)—Two trucks collided in a driving rain storm near here today, killing at least 11 onion field workers and injuring six others.

The dead were riding in the rear of a light truck, which met head-on with a semi-trailer loaded with automobiles.

The dead were strewn along U.S. Highway 35, 13 miles south of Laporte. The accident occurred along a straight section of the highway near a junction with road six.

There apparently were no witnesses to the mass tragedy, which happened about 2:45 p.m. (CDT) as the workers were on their way home from a day in the Kankakee river valley fields.

Howard Good, an employee of the Lucas garage located near the scene of the crash, said a young boy was decapitated and the other dead were piled grotesquely over the back of the semi-trailer.

The semi-trailer, with its cargo undamaged, went out of control off the highway and stopped at the side of a barn owned by John Scole.

The light truck remained on the highway. Neither vehicle overturned. The driver of the heavy truck was identified as Robert Tweedle, 35, of Logansport. Tweedle, employed by the Gilstrap, Inc., trucking firm of

Indianapolis, was taken to Fairview hospital here. The extent of his injuries were not immediately determined.

The workers had been employed by the L. Donchin growers of near North Judson, Ind.

The identified dead, all of North Judson, Ind.: Mrs. Blanche Carpenter, 40, Vernon White, 18, Fred Teske, 22, Pierce Richie, 20, Mervin White, 20, Thomas Forte, 22, Joseph Salyer, 16, of Knox, Ind. Three unidentified men.

Unidentified boy, about 15.

## Start Proceedings On ITU Federal Contempt Trial

Indianapolis, Sept. 20.—(AP)—The federal court contempt trial of the A.P. International Typographical Union began today with testimony that newspaper printers are compelled to follow the international's collective bargaining instructions.

The ITU and its officers are charged with requiring its local unions to insist on contract terms violating the Taft-Hartley law in the face of an injunction issued last March by Judge Luther M. Swygert.

Daniel F. Smith, general manager of the LaSalle, Ill., Daily News-Tribune, and John F. O'Keefe, secretary of the Chicago Newspaper Publishers Association, were the principal witnesses.

Smith, a former ITU member, testified that a tentative contract agreement reached between the LaSalle newspaper and ITU Local No. 442 was submitted for approval to the ITU international in April but was rejected.

Then, Smith said, the local received a letter from the international saying that only an agreement incorporating the international's terms of contract could be approved.

"In other words," Smith told Judge Swygert, "they (the local) had to follow instructions sent out from the international's headquarters. They could not deviate. That was the instruction they had."

## Strengthen Air Force With More Fighter Planes

Washington, Sept. 20.—(AP)—Air force officers said today President Truman has approved the allocation of \$103,000,000 for the purchase of 213 combat planes.

The air force will buy 13 Boeing B-50's, a forthcoming model which is to be redesignated the B-54; Lockheed 100 P-80's and 100 Republic F-84's. The latter two are single engine jet fighters which will have a new type engine giving them more speed and range than earlier types.

Still awaiting Presidential action is a request that the air force be allowed to contract for another \$100,000,000 in orders for new planes, including the Boeing B-47, a six engine jet bomber.

## Jet Pilot Dies From Injuries Suffered In Crash

Los Angeles, Sept. 20.—(AP)—Capt. James P. Fitzgerald, 28, Air Force ace and among the first men to fly faster than sound, died today from injuries suffered in the crash-landing of his TF-80 jet plane Sept. 9.

Captain Fitzgerald's plane crashed near the Navy airport as he was coming in from a landing after participating in the Bendix Air races to Cleveland. The officer had been unconscious since the crash in Birmingham Veterans hospital.

"Born in South Pittsburgh, Tenn., he was graduated from West Point in 1943. He served with the army's Eighth Air Force in England during the war."

## Average Income Of Americans Double That Of 1929

Washington, Sept. 20.—(AP)—The average income of Americans is about double what it was in 1929, a "boom" year in its day.

A commercial department report showed today that the average income of individuals (as distinct from corporations) increased from \$680 in 1929 to \$1,323 last year, a rise of 95 per cent.

Average incomes for individuals in 1929 and 1947, and the percentage of increase included:

Central (Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, Ohio and Wisconsin)—\$720 and \$1,391, 93 per cent.

FIVE INJURED  
Vandalia, Ill., Sept. 20.—(AP)—Five persons were hurt—three seriously—when two automobiles collided three miles west of here last night. The injured were taken to the Vandalia hospital.

## Dewey Begins Drive 'To Unite America'

## Truman Promises New Developments In West

Denver, Sept. 20.—(AP)—President Truman today promised "great new developments" for the west if the voters pick "Democratic servants of the people" over "Republican puppets of big business."

Rolling into Denver a day ahead of his GOP foe, Gov. Thomas E. Dewey, Mr. Truman called his Republican opposition "cancer agents of the big business lobbies" who are trying to "sabotage" the west.

The President made his first major campaign speech in the Far West from the steps leading up to the state capitol. A bright sun flooded down from a cloudless sky on a crowd estimated at 25,000 to 30,000 by state patrol chief Gilbert R. Carrel.

Mr. Truman told the whooping audience the right choice in this year's "fateful election" will mean that "you can foresee great new developments of your agriculture, your industry and your commerce."

Party leaders had told him he has "a fighting chance" to carry Colorado.

If the national decision goes against him and his party, Mr. Truman predicted that reactionary elements he said are backing the GOP's "will try to turn back the clock to the day when the west was an economic colony of Wall Street."

Thus he sounded again a theme that the people have something to fear from the Republicans, just as

## Lightning Fire Fail To Ruin Wedding Plans

Libertyville, Ill., Sept. 20.—(AP)—A bolt of lightning struck and set fire to the home of a bride-to-be last night, but it failed to ruin wedding plans because she managed to save her trousseau.

Lillian Trincin, living with an uncle, John H. Hrick, returned home from a date with her fiancé, Tom Odum, just as a bolt of lightning struck the two-story house.

In the next few minutes the following things happened:

Lillian dashed upstairs despite facial injuries from falling plaster, helped to herd her uncle's niece and granddaughter, Carole Hiller, eight, and Carole Miller, nine, from the burning house.

Firemen arrived and put out the fire, which damaged the second floor.

## Former Pro-Red Won't Talk At Atomic Spy Quiz

Washington, Sept. 20.—(AP)—Mrs. Louise Branstetter, blonde heiress billed as a one-time associate of Soviet agents, refused today to answer questions in the congressional investigation of atomic spying.

The slender and attractive 39-year-old witness had next to nothing to say to reporters or to a house un-American activities committee—beyond a formal statement. That statement denied any "wrongful activities" and accused the House committee of an "infamous act" in linking her name with its inquiry.

Rep. McDowell (R-Pa.) told reporters that in an hour and half of questioning by himself and Rep. Hebert (D-La.) behind closed doors, Mrs. Branstetter relied on her constitutional immunity from giving answers that might incriminate her.

McDowell indicated, however, that her chapter in the investigation was not closed. He said the subpoena for her appearance before the committee had been extended indefinitely, and she had been ordered not to leave the country.

The subcommittee did get the witness to identify herself as a housewife now living in New York. McDowell said, but she would not tell her husband's business or income.

Expect 2,500,000 To See R. R. Fair  
Chicago, Sept. 20.—(AP)—The Chicago Railroad Fair will end on Sunday, Oct. 3, and attendance is expected to reach 2,500,000 before it closes.

Lenox R. Lohr, fair president, said yesterday that some 2,200,000 visitors have attended the exposition since it opened July 20. He estimated that more than 60 per cent of these came from points more than 100 miles from Chicago.

The fair originally was scheduled to last only through Labor Day but was extended because of its popularity.

## Makes First Major Bid In Iowa

Des Moines, Iowa, Sept. 20 (AP)—Gov. Thomas E. Dewey tonight began what he called a "campaign to unite America" in a world in which "tyranny is on the march."

"I pledge you a foreign policy based on the firm belief that we can have peace," the Republican presidential nominee declared in his first major prepared address of a 14-day tour of the west.

Speaking at Drake University Stadium, the New York governor laid down the blueprint for a campaign during which, he said, "I will not contend that all our difficulties today have been brought about by the present national administration."

#### Blames Administration

But he added that "any fair-minded person would agree" that part of the difficulties "are merely the result of the administration's lack of judgment, or of faith in our people."

He said "only part" of today's hardships have been "deliberately caused for political purposes."

Dewey followed President Truman into Iowa by only 48 hours. He ignored the Democratic standard bearer's contention at nearby Dexter Saturday that "gluttons of privilege" were out to take control of the Republican party.

Throughout his speech, Dewey's ever-recurring theme was "faith in America."

"Tonight," he said, "we enter upon a campaign to unite America. On January 20, we will enter upon a new era. We propose to install in Washington an administration which has faith in the American people, a warm understanding of their needs, and the competence to meet them."

Then he pledged that "as president, every act of mine will be determined by one principle above all others: Is this good for our country?" He said, too, that if elected his administration will be made up of men and women devoted to the same principle.

Protect Labor  
In his general outline, Dewey said that "we must and will preserve the gains of labor so that its confidence and production will grow and flourish."

And then, touching on the hot civil rights issue which has thrown southern Democrats into rebellion against Mr. Truman, Dewey declared:

"We must work against intolerance and bigotry, against racial and religious discrimination."

Promising specific proposals later dealing with all of these matters, the New Yorker said they would "not be borne of fear—apparently a reference to Mr. Truman's labor prediction that a Republican victory would bring on an era of fear. Dewey said: "I have no trick answers and no easy solutions. I will not offer one solution to one group and another solution to another group."

## Try Girl, 16, Charged With Murder Of Father

Wheaton, Ill., Sept. 20.—(AP)—The trial of Frances Korbelik, 16, charged with murdering her father, began in circuit court today.

The girl was indicted in connection with the shooting of William Korbelik, 42-year-old CIO union official, whose body was found in the basement of his home four months after he disappeared.

As questioning of venimen began, Robert Scott and Willard Cain, assistant DuPage county state attorneys, said they will qualify the jury for the death penalty. Scott said, however, the state has not decided whether it will ask capital punishment.

Miss Korbelik's attorneys are Joseph Luffield and Ode Rankin, both of Chicago. Luffield said he will seek to exclude from the evidence a statement by the girl in which, the state says, she admitted the slaying.

With a panel of 40 jury prospects on hand, Judge Win G. Knock of Naperville directed that another venire of 60 be summoned.

## UN NOW HAS A PSYCHIATRIST; HERE'S HOPING THEY USE HIM

Well, the United Nations has hired a psychiatrist. Probably a good idea. In fact, after reading his first press interview after taking the job, we'd guess it is a very good idea.

His name is Dr. Carl F. Sulzberger, and his proper title is psychiatric consultant. He says he doesn't think it is psychiatry's function to predict the right course in international affairs. But he does believe that psychiatrists should be free to criticize the men who do make the international decisions.

"When all the high-falutin' and magical jargon of diplomacy is removed," he says, "you'll find the diplomats acting like a group of children, age 3 or 4, trying to break up one another's toys or squabbling to get closer to the ice cream dish, without a thought of one another."

A lot of people who keep up with international negotiations will find that comparison unflatteringly apt. They're also likely to agree with the doctor when he says that although these diplomats may be enlightened men, they start acting childish over any question that involves many nations. He lays it to "emotional xenophobia," a fear and distrust of the unknown or the foreign.

Dr. Sulzberger doesn't mention the Russian diplomats by name, but he must have had them in mind. Representatives of other nations may not be blameless, but the Russians have a consistent record of aggressiveness, pettiness and selfishness in international affairs that is as immature as it is dangerous. The Berlin blockade is an excellent example of such infantilism.

Dr. Sulzberger must have wondered, as many of us have, just what happened in the childhood and youth of, say, Karl Marx, Nikolai Lenin, Adolf Hitler, Benito Mussolini and Joseph Stalin that caused them to become what they did. For their thoughts and deeds did not develop in an emotionless vacuum.

A more enlightened society is beginning to seek for the subconscious causes of crimes and mental ills, rather than simply to punish or hospitalize the offenders and victims. But when crimes and delusions assume national proportions and stir up international troubles, we put them down to fate or acts of history. The fact that they may have started in some individual's thwarted childhood is overlooked.

Some day psychiatry may be able to detect and check the emotional disturbances of childhood that produce dictators as well as thieves and murders. This will mean that there will have to be, as Dr. Sulzberger and others say, there should be, psychiatrists as well as physicians and dentists in every children's health clinic.

The day is far off. But at least the new UN psychiatrist thinks that humanity is not going to wipe itself out with atomic explosives, and he hopes that some day man will not have to fight an enemy, real or imaginary, in order to get along in the world.

Meanwhile we wish Dr. Sulzberger luck in his dealings with the adult diplomats and secretariat. He sounds like a sensible person, and we hope his new patients won't hesitate to avail themselves of his assistance.

## Rob Service Station; Leave Stolen Bicycles; Steal Coupe, Wreck It

Two youthful burglars who robbed a filling station of \$80, swapped stolen bicycles for a stolen car, which they wrecked after a 35 mile trip, were sought Monday by police officers throughout west central Illinois.

The Shell service station at West State and Prairie streets was the scene of the burglary early Sunday morning. Capt. Ike Flynn and Patrolman Walter Hill found an east window in the station broken when they were passing at 2:30 a. m.

Believing the station had been burglarized, the officers notified Merle Dewese, the manager. He entered the station and reported that \$80 in bills and change was missing from a cash drawer.

Take Key From Drawer  
A 1947 Chevrolet coupe which had been parked in the station driveway also was missing. The burglars obtained the key from the cash drawer.

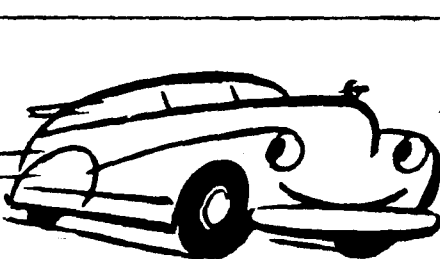

Two bicycles were found abandoned near the Shell station. These were stolen Saturday night from South Main street near the square. From all appearances the burglars rode up on bicycles, robbed the station, and then departed in something that traveled faster than anything with pedals.

A description of the automobile was broadcast over the state police network. For several hours nothing was heard from the burglars or the car.  
Crack Up at Pittsfield  
Shortly before noon the police department received a call from Pittsfield, stating that the Chevrolet had crashed into a fence there, and that two young men were seen running away. Pittsfield residents said they appeared to be teen age boys. The Pike county sheriff took charge of the abandoned car, which was considerably damaged.

Police uncovered several clues which may lead to arrest of the pair who are wanted for automobile and bicycle theft, and burglary.

## Local Couple Married Sunday At Roodhouse

**Vows Exchanged By Myra Day, Reitman Hills**

The Roodhouse Baptist church was the scene of an impressive wedding ceremony Sunday afternoon at 3 o'clock, when Miss Myra Ellen Day, daughter of Mr. and Mrs. Henry Day of Roodhouse, became the bride of W. Reitman Hills, son of the late Mrs. Eula Hills of Jacksonville.

The vows were pledged in a double-ring service performed by the Rev. Mason Smith of Kane, before an altar banked with ferns, palms and baskets of white gladioli.

Proceeding the ceremony, Mrs. Robert Bandy of Roodhouse sang "Because," "O, Promise Me," and "The Lord's Prayer." She was accompanied at the organ by Mrs. Merle Mackey, who also played the traditional wedding marches.

**Given by Father**

The bride was given in marriage by her father. Her gown was of ivory satin, styled with a sweetheart neckline, fitted bodice, long pointed sleeves, hooped skirt with bustle back and long flowing train edged with lace. Her veil was of French illusion, fingertip length, and was held in place with pearlized orange blossoms. The bridal bouquet was of white roses, centered with an orchid. As her only jewelry, she wore a rhinestone necklace and matching earrings, gifts of the bridegroom.

Mrs. John Hofmeister, sister of the bride, served as matron of honor. She wore a gown of pale blue tulle and a crown of sweetheart roses. Her bouquet was of pink flowers.

The bridesmaids were Mrs. Herbert Carter and Miss Evelyn Hills, sisters of the bridegroom. Their gowns were similar in design and color, of rose and green satin, respectively. Each wore a crown of sweetheart roses and carried a matching bouquet.

**Groom's Attendants**  
Serving as best man was Wendell Freeman. Herbert Carter and John Hofmeister were the groomsmen. The guests were seated by Clyde Smith, Kohl Perbix, Harold McMahon and Richard Sturdy, all of Jacksonville.

Little Carol Kemp, daughter of Mr. and Mrs. Carl Kemp, who served as flower girl, wore a white gown and veil, fashioned after the bridal ensemble, and carried a basket of red roses. Herbie Ray Carter, son of Mr. and Mrs. Herbert Carter, was the ring bearer. He carried the rings on a heart-shaped pillow of white satin.

For the wedding, the bride's mother was attired in a black dress, with which she wore matching accessories and a corsage of tallman roses.

**Reception Follows**  
Following the ceremony a reception was held at the country home of the bride's parents, decorated for the occasion with cut flowers and ferns. A three-tiered wedding cake,

topped with miniature bride and groom, centered the bride's table. Mrs. Howard McMahon, Miss Sarah Day, Mrs. Robert Bandy, Miss Audrey Batley, Miss Gloria Beard, Miss Sybil Northrop and Mrs. Robert Worrall assisted at the reception.

Mrs. Hills was graduated from Roodhouse high school and later attended Wheaton college. She is employed by Passavant hospital. Her husband was graduated from Jacksonville High school and served four years overseas with the Army. He is employed by Sears, Roebuck and Company.

As her going-away ensemble, the bride chose a tweed suit with brown accessories and the corsage from her bridal bouquet.

Upon returning from a wedding trip through the northern states, the couple will be at home at 1144 West Lafayette avenue.

DOUBLE EAGLE STAMPS TUESDAY—HOPPER'S

Chamber of Commerce members will launch a 48 hour drive for new memberships at a kick-off breakfast in the Dunlap Hotel at 8 o'clock Tuesday morning. Forty members are expected to participate in the campaign.

Prospects for a successful drive were bright Monday, according to campaign leaders. More than 20% of the goal has been reached ahead of time as a result of pre-campaign publicity and letters. W. O. Randall is serving as drive chairman, along with Earl Spink and Harold Gibson who are serving as co-chairmen.

Prizes will be awarded to the workers for best sale records. These prizes have been donated by NESCO, J. Capps & Sons, Mac's Clothes Shop, Fox Theater, MacMurray College, Illinois College, Jacksonville High School, Swift & Co., Jacksonville Creamery Co., and Coca Cola Bottling Co.

Hugh Gibson, Chamber of Commerce president, stated Monday that the board of directors is grateful to those who volunteered as workers, and to those who voluntarily sent in their membership applications.

"Our goal of 100 memberships must be reached," he stated, "if the Chamber is to keep abreast of other communities, and meet the increased costs of operation."

Campaign workers are expected to report their results to the Chamber of Commerce office at noon Tuesday and again at 5:00 p. m. on the same day. The campaign is scheduled to conclude with a report luncheon and awarding of prizes at the Dunlap hotel Wednesday noon.

The twenty-eighth convention was held on the University of Illinois campus in Champaign on Friday and Saturday, Sept. 17 and 18. Those who attended from Jacksonville were Wanda Harrell, Betty Walker, and Mary Ann Gibbs, representatives of the Crimmon yearbook, and Shirley Taylor and Florence Ritchie, representatives of the Ritchie yearbook. Mrs. Everett Gibbs accompanied the representatives.

The convention convened at 11 a. m. Friday, the principal speaker of this general session being Frank F. Collins, former publisher of Arcola, Illinois Record-Herald and Broom Corn News. Mr. Collins stated that the convention was held early in the year to enable editors to publish a better yearbook or newspaper.

The afternoon sessions were divided into newspaper and yearbook conferences. Some of the most interesting of the programs were "Good Pictures Add Interest to Your Newspaper," "Editorials Are Not Trite Essays," "Features For Your School

Paper," "Women," "Fashions and Journalism," "Journalism Films," "Keep Your Yearbook Out of the Red," "Current Problems of Yearbook Publication," "Problems of Yearbook Publications in Schools with Enrollment Between 500 and 1,000," "New Ideas for the 1949 Yearbooks."

**Discusses World Problems**  
The highlight of the convention was the address of Clifton M. Utley, NBC Radio commentator on WMAQ. Mr. Utley talked on the East-West split.

"American mentality is growing up in foreign affairs. The basic split between the United States and Russia is not one of economic systems, but is based on the value of freedom," Mr. Utley said. He stated that we believed the Russians were our friends at Yalta, but the Berlin developments caused the Americans to question the Russians as allies. It is feared by the Europeans that the Americans will back out and return to isolation.

"Our present recognition of the reality of the Russian situation means neither war nor peace, but a continuation of a cold war. Truce and even peace with Russia is possible if this American attitude continues," Mr. Utley finished.

Valuable knowledge was gained by all delegates who attended the meeting.

The first issue of the Herald will be published Friday, Sept. 24. The Crimmon J is published at the close of the school year next spring.

## Credit Manager Says New Law Not So Strict

The controlled credit plan which became effective at 12:01 a. m. Monday throughout the nation may not even be noticed by many credit buyers, according to Fred Turnbaugh, manager of the Jacksonville Credit Bureau. "The act isn't nearly so strict as many people suppose," he said.

First of all, the credit bureau manager explained, it doesn't touch the ordinary 30 day charge account. Firms will still be able to give the customer the option of paying on the tenth instead of writing a check before leaving the counter.

Turnbaugh released the following statement prepared by the Associated Credit Bureaus of America:

"Uncle Sam isn't worried about your small purchases, for the new regulation doesn't affect items that retail for less than \$50. Only 12 kinds of consumers' durable goods are specifically named in the regulation.

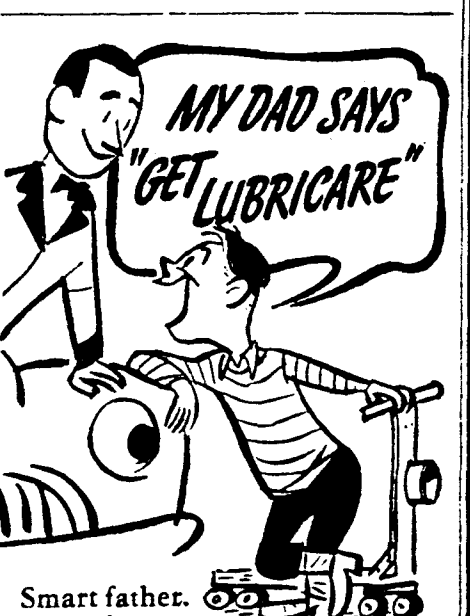

"Those of us who are on the preferred list for a new car may have to dig into our savings more deeply than we had planned, for automobiles will require a 33-1/3 percent down payment, beginning today. If the balance due on your car doesn't exceed \$1,000, it must be paid off in 15 months.

"If the balance is over \$1,000, you can take 18 months to call it yours—but your payments must not be less than \$70 per month. Incidentally, these maturity provisions apply to all loans and merchandise.

"Besides automobiles, the following articles are listed in the regulation: Cooking stoves, dishwashers, ironers, refrigerators, washing machines, combination units of these items, air conditioners (room unit), radio, television and phonograph sets, sewing machines, suction cleaners, and furniture and soft-surface floor coverings. All of these are subject to a 20 percent down payment.

"Actually, the new regulation is designed to require customers to do just what we've been preaching they should do for years—Pay your accounts as agreed, but only what you can afford, and don't be fooled into thinking the ability to say charge it increases your ability to pay. Credit is no substitute for income."

### Plea To Rebuild Oaklawn Made By Rev. W. W. Henry

Rev. W. W. Henry of Waverly, a well known retired minister, has written the Journal Courier a communication regarding Oaklawn sanitarium, which he praises as an institution doing a great work for humanity, and which he believes should be rebuilt and equipped with modern facilities.

"One aim of this communication is to jar ourselves out of a deep sleep and start a movement that will rebuild Oaklawn," Rev. Henry stated. "Such a movement is a present challenge. The board of managers has done all that can be done with present resources, but that only calls for a united effort covering, perhaps, a year or two. I suggest we need \$100,000, now."

"The superintendent, Dr. Reineking, and his workers have wrought wonders with what they have. The equipment is antiquated, and some of it needs to be replaced with new. The building needs an elevator; the culinary department is still carrying on with a large iron coal range, and many improvements should be made."

"The purpose of my plea is that Jacksonville and Morgan county may have the most beautiful and efficient sanitarium in Illinois. Someone must breathe life into the ideal and regale it, and send it abroad bent upon doing good. We have the building, we have the grounds, and we have the ministering staff, but all these need us."

"Rebuild Oaklawn," Rev. Henry concluded in his communication, which traced some of the history of the institution and included a description of its grounds, which he termed "one of the most beautiful locations in our state, or any other state."

## Boston Slaps Detroit 7 To 2; Maintain Lead

Detroit, Sept. 20.—(AP)—The Boston Red Sox held fast to their American League lead today, slapping the Detroit Tigers 7 to 2 after a shaky start as left-hander Mickey Harris held Detroit to four scattered hits all singles.

The win restored Boston's first place margin to a full game pending the outcome of a night game at Cleveland matching the Indians against Philadelphia.

Two bad errors, one of them by second baseman Lou Stringer who flew in today from Hollywood, Calif., to join the Red Sox, gave Detroit a pair of unearned runs in the opening inning for a 2-1 lead but the tigers promptly fell apart. The Red Sox took heart and won going away.

**Yanks Edge Browns**  
St. Louis, Sept. 20.—(AP)—The New York Yankees staggered to an 8-7 victory over the lowly St. Louis Browns today to remain a game behind the American League's first running Boston Red Sox in the fierce pennant battle.

The triumph also temporarily enabled the Yanks to move into a second place tie with the Cleveland Indians. The Indians are scheduled to meet the Philadelphia Athletics in Cleveland tonight.

Joe DiMaggio, despite a painful charley horse, which handicapped his fielding, led the Yankees at bat. The Yankee Clipper poked his 39th homer of the season in the fourth inning and drove in what proved to be the winning runs when he singled with the bases loaded in the eighth inning. The three runs batted in boosted his total for the season to 148.

**Indians Whip Athletics**  
Cleveland, Sept. 20.—(AP)—Cleveland's revived Indians maintained their spot one-half game behind the league-leading Boston Red Sox tonight, defeating the Philadelphia Athletics, 6 to 3, before a crowd of 44,442.

The win was the Tribe's sixth straight and its 13th in the last 15 games.

## Columbus, St. Paul Hold 3-2 Margins In A-A Playoffs

By The Associated Press  
Underdogs Columbus and St. Paul, each with 3-2 edges over their rivals, can snatch the American Association semi-final playoff titles with another victory apiece tonight. The Saints delighted 7,986 hometown rooters yesterday by capturing their third game in the best of seven series from pennant-winning Indianapolis. At Columbus, the Redbirds pleased a crowd of 6,478 by taking third victory from runnerup Milwaukee 3-1.

The Saints posted a 5-4 verdict over the Tribe in a hectic 13-inning battle. Johnny Jorgensen smashes a dramatic 361-foot homer for the deciding tally in the prolonged encounter.

At Columbus, Clarence Beers racked up his second victory of the series by rattling six hits to the Brewers. Milwaukee bunched three of them in the eighth for its only run.

## Multi-Retired Halfback Rejoins Chicago Cardinals

Chicago, Sept. 20.—(AP)—Halfback Marshall Goldberg, who has retired athletically more times than Joe Louis, has rejoined the champion Chicago Cardinals of the National Football League.

The 30-year-old defensive star from the University of Pittsburgh will be starting his eighth professional season, although he slipped out of retirement last August to help the Cardinals whip the College All-Stars, 28-0.

Goldberg is the head of the Chicago office of a machinery manufacturing concern. At the beginning and end of the Cardinals' title-winning season last year, Goldberg had announced his retirement. Coach Jimmy Conzelmann of the Cardinals defense Goldberg as one of the best defensive backs in pro football.

## Brooklyn Wins From Cubs After Big First Inning

Brooklyn, Sept. 20.—(AP)—The Brooklyn Dodgers gave Hank Borow the works in the first inning, coming up with four runs, and Preacher Roe made it stand up the rest of the way to day to beat the Chicago Cubs, 4-2, and break the second place tie with the idle St. Louis Cardinals.

The victory moved the Dodgers up to within five and a half games of the front-running Boston Braves who were rained out of their game with the Cincinnati Reds.

**Ennis Homers; Phils Win 2**  
Philadelphia, Sept. 20.—(AP)—Del Ennis powered his 29th and 30th home runs of the campaign today to lead the Philadelphia Phillies to a day-night double victory over the skidding Pittsburgh Pirates. The Phils took the afternoon game 5-2 and the night contest 7-4.

**Line score:**  
Pittsburgh . . . 000 100 11-4 9 1  
Philadelphia . . . 000 106 00x-7 10 0

### Wildcats Stress Passing

Evansville, Ill., Sept. 20.—(AP)—Northwestern's gridirers bore down on pass defense today in preparation of the season opener in Los Angeles Saturday against UCLA.

Saturday's intra-squad game showed much to be desired, especially on defense.

Wildcats reported the Uolans have greatly improved over the team which lost 27-26 at Northwestern last season.

### Indiana Needs Quarterback

Bloomington, Ind., Sept. 20.—(AP)—Quarterback replacement problems continued to worry Indiana University coaches today as the football squad's passing drills for Saturday's opener at Wisconsin.

Wayne Benner, quarterback candidate from LaPorte, Ind., went out of action by a hand injury which Coach Clyde Smith said may prevent him from making the trip to Madison. Lou Kasanovich, sophomore signal caller, returned to the lineup but saw only limited action after a two week layoff with a knee injury.

### Injuries Hamper Notre Dame

South Bend, Ind., Sept. 20.—(AP)—Trainer Hugh Burns today listed Notre Dame halfback Ernie Zaleski as a doubtful performer for Saturday's opener against Purdue. The talented broken-field runner's trick knee slipped out of place in a scrimmage game last Saturday.

Burns also said halfback Terry Brennan probably will be able to see only limited service against the Boilermakers because of an old knee injury. But he added that Emil Sitko, number one right halfback who came up with a leg hemorrhage Saturday, probably will be ready for the opener.

### Iowa Works In Mud

Johns, Iowa, Sept. 20.—(AP)—The University of Iowa football squad slogged through a practice session today, despite downpours of rain and mud underfoot.

Various teams combination paraded their wares before Dr. Eddie Anderson, who says he's still looking for a firststring aggregation.

"The only spot on the Hawkeye team which now is filled is offensive quarterback, with Al Di Marco," he said.

### Tate Moves To Varsity

Champaign, Ill., Sept. 20.—(AP)—Al Tate of Newcastle, Pa., regained his first string tackle job in Illinois football practice today with Charles Brown moving down to the second.

The Illini worked on new plays both on a dry field and in mud. Half way through the workout a heavy rain fell chasing the squad inside for 15 minutes.

### Purdue Needs Reserves

Lafayette, Ind., Sept. 20.—(AP)—Purdue University sought reserve strength at the right halfback spot today as drills continued for Saturday's curtain raiser against Notre Dame.

Two Sophomore backs, Herb Campfield, who has been working at fullback, and Vince Chikio, normally a left halfback, were shifted to right half. They were used to plug the hole left by starter Dave Shaw and sophomore Bob Samson, temporarily out with injuries.

### Michigan Cuts Squad

Ann Arbor, Mich., Sept. 20.—(AP)—Michigan head coach Bennie Oosterbaan cut his Big Nine champion football squad today to 49—six less than is required by western conference rules.

He emphasized, however, that the list is subject to change depending upon performance.

Skipping the scrimmage that has been the practice during the last three weeks, Oosterbaan put his boys through passing and blocking drills. The Wolverines open against Michigan State Saturday at East Lansing.

### FRENCH INDEPENDENCE

July 14th is as famous in France as the Fourth of July is in the United States. The fortress-prison, the Bastille, was besieged and captured by revolutionists on that day in 1789.

## Blueboy Coaches Have Their Troubles; Yates Heads I. S. D. Gridders

### CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 20.—(AP)—All hogs and good and choice steers were 25 to 50 cents higher today, while vealers were steady to \$1 up. But other cattle classes were steady to 50 cents lower and sheep classes were \$1 to \$2 less.

Most good and choice butcher hogs sold between \$25 and \$30.25, the day's top and highest price for the month to date. Sows were \$24 to \$28.50 and a top of \$28.75.

Choice to prime fed steers remained at the alltime record level of \$41.50, and most good and choice varieties made \$33 to \$40.50. A similar grade range in heifers brought \$30 to \$38.50. Medium and good bulls were \$23.50 to \$25.25 and good and choice vealers \$29 to \$32.

Good and choice spring lambs could be had for \$23 to \$23.50 and good slaughter ewes for \$9.50, but even at these prices many of both classes were unsold at the close of trading.

Total receipts included 6,500 hogs, 11,200 cattle, 600 calves, and 4,000 sheep.

### New York Stock Market

New York, Sept. 20.—(AP)—Prices fell 1 to more than 2 points today in heavy trading on the Stock Market.

Volume pushed to around 1,300,000 shares, one of the largest total intraday transactions.

Steels and Rails led the downward turn which gained momentum from the start. Some selected issues stiffened against the downward movement after mid-day, but their resistance was not great enough to stem the tide.

Utilities and airlines held fairly steady with prices unchanged to slightly lower in dull trading.

The recession was accompanied by an expanded volume of trading, and brokers noted that selling tapered off when prices hesitated on their downward path.

Among the largest losers were U. S. Steel, Youngstown Sheet & Tube, Chrysler, Santa Fe, Southern Pacific, Illinois Central, Rock Island, Goodrich, Montgomery Ward, Case, Martin, Douglas, American Smelting, Du Pont, Allied Chemical, Owens Illinois, Standard Oil (N.J.) and Paramount.

### SHORT COVERING IN SEPTEMBER CORN HIKES PRICES

Chicago, Sept. 20.—(AP)—Renewed short covering in the September corn contract lifted prices from the day's low toward the close of the Board of Trade session.

Earlier there had been considerable liquidation in that contract. The price reacted as much as 35 cents from the day's high, the result of a decline of as much as 5 cents in the cash corn market.

Generally there was little interest in wheat. Oats carried a steady undertone.

The first car of new crop corn arrived today. It tested 20.6 percent moisture. Corn purchases on a to-arrive basis were placed at 88,000 bushels.

Receipts were: wheat 55 cars, corn 282, oats 53, soybeans 17.

At the close wheat was 1 to 1 cent lower than Saturday's close. September \$2.25. Corn was 1 higher to 1 lower, September \$1.691-70. Oats were 1 higher to 1 lower, September 711-3. Rye was 1 lower, December \$1.594. Soybeans were 11 to 21 lower, November \$2.45-44.

### Things went wrong for Illinois college coaches Al Miller and Joe Brooks Monday.

Not only did they have trouble organizing a practice session, but they had to listen to more bad news. Gross came up with a bad foot which will keep him out of scrimmages for several days during a crucial final week of rehearsals for Saturday's opener at Scott Field.

The photographer and tailor were both present on the practice field and they required considerable time from the players. In addition, many boys were busy in the college offices completing registration.

The hilltop mentors spent the greater portion of practice time Monday morning working on protection for the passers and kickers. Monday afternoon the coaches worked with players individually, organized practice being impossible.

Coach Miller reported that Wednesday will probably be the only day this week when regular schedules can be followed.

### Yates I. S. D. Coach

Our apologies to Coach Art Yates of Illinois School for the Deaf, who was identified in the last issue as assistant coach of the Tigers. Yates is head football coach at I. S. D., as he has been since he joined the staff at the westend school.

"Spike" Wilson, who was identified as the football mentor, is head basketball coach and athletic director. The two divide the spring sports, also.

Yates and Wilson sent their entire squad through another scrimmage Monday afternoon in preparation for their Friday night opener at Carrollton.

### Kraushaar Lectures Squad

No one glaring weakness, with the exception of passing and pass defense, handicapped Jacksonville high school during its close victory over Winchester Friday night. Coach Bob Kraushaar told his players Monday afternoon. Stating that he believed his club showed general improvement, Kraushaar still mentioned a host of things which he thinks should be improved before the game with Quincy here Friday night.

The J. H. S. grid chief criticized the Crimsons' signal calling, then singled out individual players and mentioned some of their most serious faults.

"Quincy will be tough," Kraushaar said. "They will be as strong, or stronger than Pittsfield."

Concentrated work on pass defense and the J. H. S. aerial offense is on the docket this week.

Johnny Walker, freshman fullback, was in uniform for a light workout, but still won't be permitted to engage in contact work. John Whitacre, who missed practice last week but played for short periods several times Friday, was still out of uniform. He has a bad bruise on one knee which is causing considerable pain.

## Williams Has American League Batting Cinched

Chicago, Sept. 20.—(AP)—Boston's Ted Williams virtually had his second straight American League batting title—and fourth in five seasons—stowed away with an eight-point surge last week to 376, 21 points ahead of the field.

Williams would have to go hitless more times than likely before the season ends Oct. 3 to fear a threat by manager-shortstop Lou Boudreau of Cleveland, the runner-up who slipped seven points last week to 355.

Thumpin' Ted won the league batting crown in 1941 and 1942, before spending three years in military service. He repeated last year after yielding to Washington's Mickey Vernon in 1946.

Williams hammered 14 hits in 28 trips for a sizzling .500 pace through the week ending Sunday. That boosted him eight points from his 368 the previous week when Boudreau stood six points off the pace with 362.

Cleveland's Dale Mitchell was third with 334, followed by Barney McCosky, Philadelphia, 326; Al Zarilla, St. Louis, 325; Bob Dillinger, St. Louis, and Luke Appling, Chicago, each with 321; Bill Goodman, Boston, 314; Walt Evers, Detroit, 312; and Hank Majeski, Philadelphia, 311.

New York's Joe Di Maggio maintained his double-decked leadership in the specialized departments with 145 RBIs, an increase of nine, and 38 home runs, adding three for the week.

Another Yankee, Tommy Henrich also was a two-way leader, in runs scored with 126, and two baggers with 41. Dillinger likewise led in two departments, maintaining his stolen bases supremacy with 24 and replacing Boudreau in total hits with 189.

Washington's Ed Stewart continued as top triple leader with 13. Boston's Jack Kramer, despite a setback by the lowly Chicago White Sox, topped the pitchers on a percentage basis with 16-won, five-lost for .762. Bob Feller of Cleveland held onto the strike-out lead with 146, adding 11 new victims.

### DRUMS THE AIR

The ruffed grouse, when drumming, does not strike the log on which it stands, nor does it strike the wings together over the head. The sound is made by beating the wings against the wind.

## Big Nine Tells Of Revised Code For Athletes

Chicago, Sept. 20.—(AP)—The Big Nine today announced a revised athletic code establishing stiff academic standards for athletes receiving scholarships or other financial aid.

The new code, in the making for several years, comes one week after the Big Nine's declaration that 11 freshmen athletes are ineligible because they received "improper aid."

The code must be reviewed by each school's faculty group. Final approval or disapproval is required within 60 days.

Commissioner K. L. "Tug" Wilson said the revised code's definition of compensation for athletes is stricter than the national collegiate athletic association's so-called "sanity code."

It requires athletes who receive unearned financial aid on the basis of need, not exceeding tuition and incidental fees, to rank in the upper half of their high school graduating classes or to maintain at least a "C" level as continuing students.

Athletes receiving "superior scholarship" financial aid, restricted to a maximum of \$300 beyond tuition and incidental fees, must rank in the upper one-fourth of their high school class or maintain a "B" average as continuing students.

The code also permits athletes to participate in special scholarships in which athletic ability is not a factor and which "may not demand the requirements" listed for superior scholarship awards.

## Rival New York Promoters Vie For Interest

New York, Sept. 20.—(AP)—The biggest fight week the East has seen since the Civil War draft riots opened today with two rival promoters issuing verbal broadsides every hour on the hour.

The Tournament of Champions, a lusty newcomer to the promotional field, declared that fully \$300,000 worth of clients would witness its middleweight title fight tomorrow night at Jersey City between Tony Zale of Gary, Ind., and Marcel Cerdan, the French Moroccan.

From Mike Jacob's old firm, the 20th Century Sporting Club, came a counter-blast to the effect that its Thursday night pugilist fiesta at Yankee Stadium, starring two count'em two pugilistic champions, would make boxing history.

The T. of C. announced breathlessly that Zale and Cerdan, both beautifully conditioned, would weigh in at noon tomorrow at the Jersey Gardens in Jersey City, and that Zale was confident of knocking go-toed Marcel kicking within seven rounds.

XXVII  
ONE morning early Sabrina met the postman on her way down to breakfast. There was a copy of "Antiquity" for Father, and a large square envelope with a Swiss stamp for Aunt Effie. Sabrina glanced at the latter in pardonable surprise and said, as she laid it beside Aunt Effie's plate—"Who's in Switzerland, Auntie?" "Oh, Alan, it's come," said Aunt Effie, trying to catch his eye before "Antiquity" absorbed him. "What's come?" said Father, slitting the wrapper. "The letter from Switzerland. I told you I had written. This is the answer." She tore it open with a glance at Sabrina, who was helping herself to kidneys and bacon at the sideboard hot-plate. There was a printed booklet on expensive shiny paper, and a rather long typed letter. Sabrina gave it a curious look as she sat down and began her breakfast in silence. Finally—"Alan, everything seems to be all right," Aunt Effie announced with satisfaction. "Would you like to read the letter?" "Not particularly," said Father from behind "Antiquity." "There's a list of things to be bought," said Aunt Effie. "I don't doubt it," said Father. "I think we'd better go up to Town by the first of the week." Sabrina's sensitive nerve centers registered swift alarm. "Why?" she said, and looked from one to the other. "Why go up to Town?" "To buy clothes and things," Aunt Effie told her brightly—much too brightly. "You'll like that, won't you, dear?" "I don't need any more clothes," Sabrina's heart had begun to beat thickly all by itself. "But you will go to Switzerland," said Aunt Effie, and Sabrina stared at her incredulously. "Oh, I didn't tell you?" Aunt Effie went on uneasily, knowing very well that she had not. "We thought it would be nice for you to have a few months at that lovely school near Geneva. It's time you brushed up your French. I'm sure, and besides they teach skiing, and then you're right at hand for all that wonderful music, and the mountain air must be very healthful after this heat—" "WHAT are you talking about?" gasped Sabrina. But somehow she knew already. She had been through this sort of thing before. "I'm not going to any school. I'm too old for school." "Oh, no, not for this one! And besides—" "I won't leave this house!" said Sabrina in a small, pinched voice, sitting very still. "I'm happy here—happier than I've ever been. I won't go." "Perhaps I was wrong to call this exactly a school," said Aunt Effie hastily. "It will be more like a nice holiday abroad with friends. I'm sure you'll make friends at once—" "Father!" In desperation, Sabrina rose from her chair and snatched "Antiquity" out of his hands, so that he looked up at her in astonishment, over his spectacles. "Father, please don't send me away from here! Please say I haven't got to go!" "Now, I don't want any hysteria," said Father firmly. "Your aunt has gone into the matter very thoroughly by now, I should imagine, and I think we had better not discuss it." "But you can't just send me all the way to Switzerland without discussing it—" Father rose, with his full tea-cup in one hand, and held out the other for "Antiquity." "When you have quite finished making a scene, Sabrina," he said coldly. "Thank you." He took the

Alderman Chumley said he objected to closing the shore line of Lake Jacksonville, but that he is in favor of the 4-H camp project.

## Mrs. Clarissa Hills Badly Injured When Hit By Car

Mrs. Clarissa Hills, aged Jacksonville resident who lives at 1417 S. Main street, was seriously injured at 7:30 p.m. Monday when she was struck by an automobile driven by Charles O. Preston, 987 N. Church street.

Mrs. Hills will be 81 years old today. She had been visiting her neighbor, Mrs. Ella L. Patterson, 1408 S. Main street, and was returning to her home when the accident occurred.

Preston told investigating officers that Mrs. Hills had waited until a northbound automobile had gone by and then had run into the path of his car. He was headed south. The right front headlight struck her.

She was rushed to the Passavant hospital in the Cooney ambulance. Preliminary examination indicated she had suffered fracture of both legs and a collarbone.

State Highway Patrolman Staley Keeler and deputies from the sheriff's office conducted the investigation.

## Meredosia Driver Slightly Injured In Crash Monday

Ray Colvin, Meredosia boiler maintenance man employed at the C. I. P. S. power plant, was being held in the county jail Monday night awaiting an investigation of an auto wreck which occurred earlier Monday at Wilson's corner, on U. S. Route 36 west of Jacksonville.

Colvin was reported to have been driving east in a 1935 Ford coach. He failed to complete the first curve. The car crashed through the fence of the Earl Hemmel farm and turned over once, landing on all four wheels.

Colvin received a scratch over one eye and a long, deep gash on the right arm. He was taken to Our Saviour's hospital by a passing motorist, H. B. Reed of Hammond, Ind. After receiving medical treatment he was removed to the county jail.

He told officers of the sheriff's office that three passengers had been riding with him at the time of the crash. Two witnesses of the crash told the sheriff, however, that Colvin was the only passenger.

## A ROARING START—TROUBLE FOR ONE CAR

The Journal Courier cameraman unplugged his eas and snapped the top picture Sunday afternoon as dirt track drivers were given the "Go" flag at the Morgan county fair grounds. Allen Brunk and Merle Ingels are giving the drivers the go-ahead sign, while the race officials watch the proceedings from their stand, at right.

Lower photo shows one of the casualties of the race just after the car landed in a ditch in the infield. Despite a warning from one of the drivers before the race not to take any pictures of wrecks, the Journal Courier presents this photographic record of how a hot-rodder looks after it has flopped over a time or two. If the driver had stayed in his seat he would have appeared in the picture, too.

## Race Drivers Escape Injury In Three Spills; Ketter Takes Feature

Thrill seekers got all they bargained for and a bit more at the Morgan County fairgrounds Sunday afternoon as three big car racers went skidding and rolling off the track during a racing program presented by the Mutual Auto Racing association and the Zinabad Grotto. Miraculously, not one of the drivers was seriously injured.

A crowd of over 2,000 saw Al Ketter, veteran dirt-track driver, rack up his third straight victory in Mutual association races as he took the grand championship by nosing out Johnnie Joy in the 20-lap feature event—a thriller all the way.

The biggest scares came in the third elimination race when two speed bugs left the track and rolled. Russ Gross, piloting his Graham R2, was the first to go. Sliding on the second curve his second time around, he mowed down 20 feet of snow fence and rolled his auto three times in the parking area, one time end over end. A slight cut on his hand seemed to be the full extent of his injuries. While the crowd was still watching action on the curve, Jerry Draper, driving the Kirby brothers racer from Rushville, lost control of his auto on the back stretch and took to the infield, the car turning over in a ditch. He, too, was uninjured.

Gross blamed a wet spot on the track for his accident. Draper, who had previously had trouble with his steering mechanism, was momentarily blinded when a water-hose connection broke, throwing steam in his face.

**Last Accident**  
The third accident occurred in the feature event. Bob Guss, in Vern Bradley's car from Rock Island, slid as he was rounding the final curve prior to his last lap. He knocked down a telephone pole with the rear end of the racer, went down the fence row previously damaged by Gross and skidded around in the parking area. He maintained control of his auto and kept it on its wheels.

Considering the seriousness of the accidents, the automobiles came through in fairly good shape.

Although the first two elimination races failed to provide a great deal of action, the crowd was standing through most of the remaining events.

The last race was all that could be expected. The winner, Al Ketter, averaged higher than 60 miles per hour, being clocked in nine minutes and 44 seconds. Considering the fact that the banks on the half-mile oval are slight, the mark was exceptionally good.

Ketter and his two brothers, Harold and Beef, had positions one, two and four in the finale and for several laps it looked as if they would be able to hold Johnnie Joy, formerly of Jacksonville in a pocket.

Rounding the turn prior to the sixth lap, Joy broke through into third as Harold's car began missing events.

Harold dropped out and Joy trailed Al and Beef for seven more circuits before he pulled into second on the backstretch of lap 14.

Al and Joy continued to battle right down to the wire, but the veteran professional managed to maintain the lead in his "Flying Orchid," considered the fastest Ford V-8 in the nation.
